

A note from Winfield School Fundraising Committee and School Council

It is that time of year we start to look towards Christmas and what is our biggest fundraiser of the year. It consists of a bake sale just before and a basket auction immediately following the Christmas concert.

We ask for each family to bring in baked goods for the sale. Cookies, muffins, tarts, squares, loaves or chocolates. (No one said they have to be homemade either, whatever works for you!) These need to be in by 10am on Dec 16.

For the basket auction, which you may remember, we have decided to shake things up a bit. Rather than have each class fill a basket; which sometimes resulted in overly large or small collections; we will be pooling all items collected school wide and making a few baskets from these. We will sort and organize into theme baskets. Recognizing that times have changed and not everyone is able to donate, we ask each child who is able to please bring in an item for the auction by December 11.

Not sure what to bring? Here are some ideas...but certainly not limited to...Board Games-Family\Kids Movies-Chips-Popcorn-Fixings for Krispy squares-Slippers-Lotion-Candles-Chocolates-Small Tools-Duct tape-Work Gloves-Coffee-Hot chocolate-Cookbooks-Spices-BBQ Sauce-Apron-Garden Tools-Outdoor Games or Toys-Picture Frames-Travel mugs-Place mats-Books-Coasters-Throw blankets-Crafting Supplies. BIG OR SMALL-WE APPRECIATE ALL DONATIONS!!!!

I know this is early for some of you! I will send home a reminder closer to the due dates...

Our Chair position is still vacant! At the last meeting, it was suggested that this could be shared by two people. If sharing this responsibility is something you could commit to or if you have any questions, please contact me!
