Message from FSLW

Welcome Back!!! I hope you all had a fun-filled summer. I am excited to be back at Winfield School this year as the FSL.

As the Family School Liaison, my main focus is to provide social and emotional support, crisis intervention and referral to community resources.

I can support students with:

- emotional regulation, such as, anger, frustration, worry, anxiety, sadness, fear
- stress management
- experiencing grief/loss
- changes within the family ie. separation/divorce, illness, family stress
- bullying
- conflict resolution/friendship challenges
- transitioning to BMC

I am also available to parents/guardians. If you have any questions/concerns regarding your child's well-being, parenting strategies or are seeking a referral to community resources, please give me a call at the school or contact me by email.

This year I am available at school on Day 3s. All Family School Liaison services are confidential and parental consent needs to be given for continued support.

Allergy Alert

Please note: We have a student with a severe tree nut allergy. Please avoid sending these types of nuts to school with your child: almonds, cashews, hazelnuts, pecans, macadamia nuts, pine nuts, pistachios, and walnuts.

Peanuts and peanut butter are safe to have in our school.

Parent Meetings

We will be having regular Parent Council and Parent Fundraising Committee meetings throughout the school year. These meetings are important as this is where we gain support and funding to ensure our children experience fun and exciting opportunities both in and outside of the school.

Please try to attend our first meeting on September 15th at 3:45 in the art/science room.

Milk Program

White and chocolate milk can be purchased for \$1. We cannot accept cash, however, you can buy milk cards online in PowerSchool for \$5, \$20, or \$50. Milk sales will start on **September 8th.**
