

OCTOBER 2025 NEWSLETTER

Principal's Message

It's hard to believe we have already completed the first month of school! Students are settling into classroom routines and bringing great energy to their learning.

Outside, they have been making the most of the beautiful weather—playing soccer and mini sticks, collecting leaves, and even building creative homes for ladybugs they've captured on the playground.

A reminder that our doors open at 8:15 a.m., which is an ideal drop-off time. This gives students a chance to settle in and enjoy an optional breakfast snack before the day begins.

I would like to extend a big thank you to Mrs. Rylance, who has been helping me each morning to prepare our new breakfast program. The fresh options of toast, bagels, and both hot and cold cereal have been a big hit, and students are truly loving it.

Thank you for your continued support in helping make the start of this school year such a positive one. We're looking forward to all the learning and adventures ahead.

Ms. Harden
