*Dear Parents and Guardians,*

*I hope this letter finds you well. I am writing to share some exciting personal news with you. I am expecting a child, and as a result, I will be going on maternity leave beginning in March.*

*As always, our priority remains providing the best education and support for your children. Central Office is currently working to find an appropriate replacement for my leave.*

*I want to express my heartfelt gratitude for your continued support of our school community. While I will miss being at school during my leave, I am confident that our dedicated staff will continue to uphold the high standards of education and care that our students deserve.*

*Thank you for your understanding and support during this exciting time for my family and me. Please do not hesitate to reach out with any questions or concerns.*

*Warm regards,*

*Mrs. Zawartka*
